PROFILE

B.Tech Information Technology student. I consider myself a responsible and orderly person. I am looking forward for my first work experience.

As web development professional, adept at crafting intuitive and visually appealing user interfaces. Demonstrates strong focus on teamwork and achieving project milestones. Reliable and adaptable, with proficiency in HTML, CSS, JavaScript, and modern frameworks such as React.

Experienced with statistical analysis, machine learning, and data visualization. Uses Python to develop and interpret complex data sets for actionable insights. Strong understanding of team collaboration and adaptability in fast-paced environments.

WORK EXPERIENCE

Intern

Prodigy Infotech,remote   jun,2024

- Utilized programming languages such as Python or R extensively throughout the internship – applying relevant libraries and frameworks when appropriate.
- Created data visualization graphics, translating complex data sets into comprehensive visual representations.

Intern

EvalBench Technology   jun,2025

- Utilized JavaScript, HTML, and CSS to develop interactive web applications, providing an engaging user experience.
- Developed user-friendly websites by implementing responsive web design techniques and ensuring cross-browser compatibility.
